Excellence: Making of a Concacaf Referee Miniseries

The Confederation of North, Central America and Caribbean Association Football (Concacaf) has created a YouTube educational series called “Concacaf Center of Refereeing Excellence”. In this first video the focus is on best practices of applying advantage during matches.

Let's Review: Game Reports AGAIN

I know I keep harping on game reports, but it should come as no surprise to anyone that we still have a lot of work to do as a group.

As a community we have the ability to make an impact in curbing the amount of abuse we will tolerate. We need to report any and all instances of verbal abuse, threats or assaults! They should be reported to the league, state office and EPSARC.

Should you or a member of your crew be verbally abused, threatened or physically assaulted write it up in the supplemental game report and send it to EPSARC.

A league should not be going directly to the referee crew for additional information, everything should be in the match report.

Please remember to include just the facts, no opinions or suggestions on discipline.

If you need help, are unsure of how to word something or just need advice please reach out to any EPSARC member or the office at EPSARCOffice@gmail.com

2021 Badges are Going in the Mail

Make sure you get all your recertification requirements done! We are planning on mailing out our first-round of 2021 badges on Tuesday, November 10th.
